

Ukiah Valley Basin

Groundwater Sustainability Agency

Ukiah Valley Basin GSA is Hosting a Community Workshop!

Wednesday, March 13th, 6-7:30 p.m.
Ukiah Veterans Memorial Building
293 Seminary Ave., Ukiah, CA

The workshop will provide:

- information about the GSA's needed revenue to support the operations and state-mandated groundwater management reporting,
- details about the fee study to date, and
- share fee structure options to generate funds for the GSA.

Spanish translation services will be available. Los servicios de traducción al español disponibles.
